**APPROVED CONSTITUENCY DEVELOPMENT
FUND CDF 2023 COMMUNITY PROJECTS**

The Socio-Economic Planner reported that the Provincial Local Government Officer had approved 19 Community projects to be funded in the Constituency Development Fund (CDF) 2023 allocation.

She also guided that serial numbers 16, 17, 18 and 19 would be centrally done.

Members also observed that construction of school Hall at Nkonkola Secondary School was a matter of urgency. It was also observed that there was an extension on the deadline for the purchase of Desks in all schools from December 2023 to December 2024.

Thereafter, members requested the Department of Engineering Service to do a Bill of Quantity (BOQ) for the construction of a Dining Hall at Munenga Secondary School so that some money meant for the procurement of Desks could be varied considering that there was a deadline extension for the purchase of Desks.
